04 FEATURES

- Flexible and easy to route
- Full fit with quick fittings
- Smooth inner surface
- Can be cut to any length

05 APPLICATIONS

- Reverse osmosis unit connections
- Purifier production and service
- Dispenser and refrigerator water line connections

06 CUTTING AND INSTALLATION

01 Cut the tubing square and burr-free with the tube cutter.

02 Push the cut end fully into the quick fitting.

03 Pull the tubing back slightly to check that it is locked.

04 Open the water and check the connections for leaks.

> Route the tubing away from sharp edges and avoid kinks. The system pressure limit is set by its lowest-rated component. Do not use on continuous hot water lines or in direct sunlight.

07 PACKAGING

Stock Code	Box Size (mm)	Pcs per Box
3-RY-HOR-03-BY	-	150 m/roll
